Dear Sirs                                                                    January 08, 2024

## INVITATION TO 2024 NSE/CITED TELECOM SECTOR TRAINING PROGRAMME

As the telecommunications landscape continues to evolve, it is imperative for professionals and companies operating within the industry to stay abreast of the latest technologies and advancements. *In light of this, we are delighted to extend an invitation to engineers, technologists, technical teams, and telecom companies to participate in the 2024 NSE/CITED Telecom Sector Training Programme.*

The training program is meticulously designed to cover a wide spectrum of topics essential for professionals in the telecom sector. From fundamentals of networking to cutting-edge technologies such as 5G, fibre optics, and avionics systems integration, the program aims to equip participants with the knowledge and skills needed to thrive in today's dynamic telecommunications environment.

| # | WORKSHOP TOPIC | DATES 2024 (1st Half) | DATES 2024 (2nd Half) |
|---|---|---|---|
| 1 | Introduction to Telecommunications Technologies | 16th - 18th January | 09th - 11th July |
| 2 | Fundamentals of Communication Technologies and Protocols | 30th Jan. - 01st Feb. | 23rd - 25th July |
| 3 | Network Infrastructure Planning and Design | 13th - 15th February | 06th - 08th August |
| 4 | Microwave System Deployment and Optimisation | 27th - 29th February | 20th - 22nd August |
| 5 | Fibre Optic Network Installation and Maintenance | 12th - 14th March | 03rd - 05th Sept. |
| 6 | Safety Protocols and Best Practices in Telecommunication Engineering | 26th - 28th March | 17th - 19th Sept. |
| 7 | Effective Use of Measuring Equipment in Telecommunication Networks | 09th - 11th April | 02nd - 04th October |
| 8 | Avionics System Integration and Management in Telecommunication | 23rd - 25th April | 15th - 17th October |
| 9 | Voice over IP (VoIP) Implementation and Troubleshooting | 07th - 09th May | 29th - 31st October |
| 10 | Data Carrier Protocols and Efficient Data Transmission Techniques | 21st - 23rd May | 12th - 14th Nov. |
| 11 | Cybersecurity in Telecommunication Networks | 04th - 06th June | 26th - 28th Nov. |
| 12 | 5G Technology & Applications | 18th - 20th June | 10th - 12th Dec. |

By sending your relevant staff to attend this training programme, you will enable them to increase their knowledge, enhance their skills, and stay updated with the latest advancements in the telecom sector. This will ultimately contribute to the growth and success of your organisation in this dynamic and rapidly evolving industry.
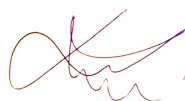

*You can also contact us for your in-house/in-plant and customised trainings specifically designed for your plant/organisation and run at your location and convenience.*

**Workshop Fees**
Virtual Learning --- *N240,000 per participant*
In-Class Learning --- *N290,000 per participant*

*We would be delighted to have your organisation join us this year. We look forward to receive your nominees.*
